Our Lions District will be the first ever district to organize this mega educational activity - LIONS SPELLING BEE in the state level. Let all the clubs join hands together & make this educational activity a permanent activity for themselves & the district as well. We are also going to request our Multiple Dist. to conduct it on multiple level taking all the other co-districts in its strand.

#### **Purpose**

Our purpose is to help students improve their spelling, increase their vocabularies, learn concepts, and develop correct english usage that will help them all their lives. It will also hone them to perform fearlessly on stage.
