

MILLI SUBUDHI SEVA SADAN

WITHIN UTKAL BALASHRAM, NUAPADA, CUTTACK

(SIGNATURE PROJECT - LIONS CLUB OF CUTTACK MAHANADI)

Recognizing our health care activities for the Balashram inmates of about 300 orphans, blinds deaf and dumb children which we have taken over completely by opening a Health Centre, the Govt. of Orissa on PUBLIC PARTNERSHIP MODE, has entrusted Mother-Child Health Care, Institutional Delivery, Immunisation, Family Welfare Activities like use of contraceptives, N.S.V. and Tubectomy, promoting awareness activities among adolescent youth particularly against early marriage, early pregnancy, repeated abortions by un-skilled birth attendants, HIV, AIDs, Malaria sanitation etc. for the night bousing population of 32 Slum Cluster with 35,000 people.

The Govt. of India in its programme of Health care for the selected Slums have provided Rs.5.50 Lakhs per annum, initially for the period of 3 years. Pay and Fixed T.A. of a lady Medical Officer, a coordinator, an auxiliary Nursing Midwife, a laboratory Technician for Blood, urine & stool test and 4 link volunteers to educate, mobilize and help arranging camps, visits and treatment of slum dwellers, all of whom we have employed on contract service, are part of annual grant and working with our Lions in the 32 Slums day and night. The OPD of the centre serves the people & the intimates of the Balasram every day from 5 PM to 8:30 PM with free medicines and free medical investigation.

The programme details are provided in the Project approved by the Govt. and implemented by us from 1st Oct.'07. The operational area they cover are as follows :-
